

Consider the
advantages of
Fee Funding...

...the monthly
payment option.

A clever way to pay!

Spread payment of your fees over monthly instalments and gain the following benefits:

- Ease the demand on your cash flow
- Allow normal working capital to remain in your business for other needs
- Access an additional line of "fuss-free" credit for immediate payment of your fees, without the usual procedures and delays
- Pay manageable monthly instalments by Direct Debit
- Choose 6, 8 or 12 instalments to suit your requirements

Plus...

- The reasonable credit charges are usually tax-deductible
- There is no additional security required

It's very simple! ...Ask us how we can arrange fee funding for you.
